Welcome to Prince House

Dormitories are no longer enough for the growing amounts of students. Prince House offers a whole new style of living. Managed by Prince Co., Prince House is a "BOT" dorm, which is very different from all NTU dorms.

"We shape our buildings; thereafter they shape us."(W. Churchill). This is also the guideline of Prince Co. Safety, tranquility and comfort are our concerns. Each dorm has its own counselors and managers responsible for dorm living and student affairs.
